20/20 Show 2022 Guidelines & Requirements

Participating artists will create 25 small artworks, each 8x8" for a completed set. All pieces must present a collective theme when hung; however, pieces should stand alone and will be available for sale individually. This is a juried show, judged by three independent judges outside the gallery. All decisions are final. All applications will be given equal consideration. **Judging criteria, based on sample submitted: creativity of theme, originality, technique & execution of medium/s.**

IMPORTANT:

- Applicants not following entry protocol could be disqualified. LATE APPLICATIONS NOT ACCEPTED.
- All returning artists are required to produce all new artwork.
- Due to our "selling off the wall" policy (letting art go as it sells), we reserve the right to re-hang the show at any time during the show dates.

TO ENTER:

Submit a completed application form along with an original 8x8" sample in your chosen medium (Must be installation ready) 3D artists must submit an actual sample. You may also submit three images of your previous work that may be used as additional jury reference. **Applications due no later than 6pm Friday March 4, 2022.** Selected artist samples will be retained & used for photographing for marketing purposes. Multiple entries accepted with a separate submission piece and form.
